

Z112 Premium Resin Enhanced Wax

Product features >>

Z112 Premium Resin Enhanced Wax Ribbon offers outstanding scratch resistance and excellent print quality on a wide variety of materials, Z112 is widely used in various industries with good label adaptability and high image resolution, and it requires low print energy which can extend the life of the valuable printer head.

Recommended substrates >>

Printing characteristics >>

Ink color	Black
Color density	≥ 1.7 (test on X-Rite tester)
Abrasion resistance	≥ 20 times (200g weight, test on coated papers)

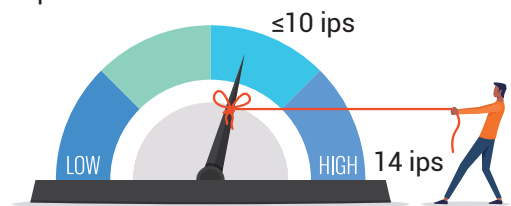

Recommended printing conditions >>

Printer mode

Flat head

Print speed

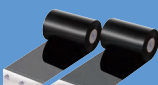

Desktop printers, Industrial printers

※Depending on the type of printer and material of substrates, the printing performance may vary.
